Whether you're passionate about helping individuals grow in their faith, embracing the underserved, educating tomorrow's leaders or caring for the elderly, your calling is to help people. Ours is, too.

At GuideOne Insurance, we understand your needs, not just because we've been in the business for more than 70 years, but because we're there in your community, embracing the same causes and values that are ingrained in everything you do. We see and use the services and opportunities you provide for the benefit of the greater good, and we know you have a lot of people depending on you. We won't let them — or you — down.

More than 50,000 commercial policyholders trust us with protecting their organizations. And we'd be proud to protect yours. When the unexpected happens, we're here to provide strength, leadership and work alongside you so you can focus on the things that matter most.

**GuideOne.com**

*GuideOne has been an advocate and an innovator for community leaders like you since our founding in 1947. In 1962, we recognized that community organizations needed an affordable, efficient insurance product that rolled many coverages into one. To fulfill the needs of our customers and our communities, we developed the first multi-peril policy, protection against different kinds of losses all covered under one package, making it more convenient and more economical to insure your organization.*

*More than 50 years later, our values haven't changed. With an eye on the ever-evolving world around us, we continue to create policies that address current needs and make sense for you and for the people you serve.*

You change lives every day by providing guidance to your members, helping them grow in their faith and spreading your mission to the community. And that's where your focus should stay. So while your congregation puts their faith in you, you can put your faith in us. Our comprehensive plans which provide protection for churches, mosques and synagogues, are available for organizations of any size. Your coverage can be tailored to address your specific concerns, from computer fraud to mission trips.

### **Senior Living Communities & Home Care**
