## Welcome!

This is our first email communication to those agents who have expressed an interest in our church insurance program. We will do our best to make our communications brief and informative. We only intend to communicate every month or so, unless there is any "breaking news".

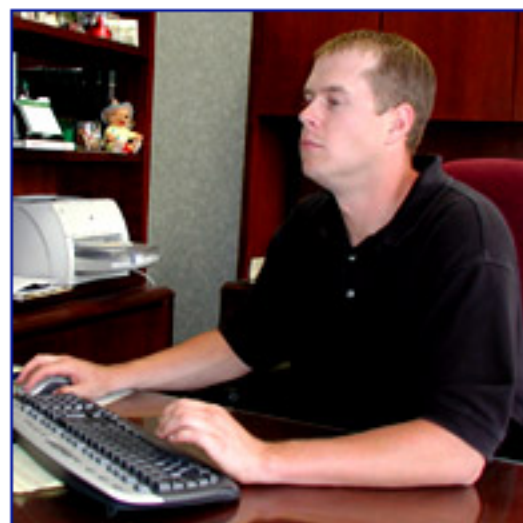

Church Underwriters, Inc. is a family owned agency that has been marketing church package P&C policies on a wholesale basis for 25 years. We have over 2,000 agents doing business with us, representing over 3,000 churches and synagogues insured. If you have any questions on how we operate feel free to give us a call or click on the "FAQ" link above.

If you have a church or synagogue you would like to submit for a quote, we suggest you give us a call and we can pre-qualify the risk for you and answer any other questions you may have.
