#### New Online Resource

We are pleased to announce a valuable new online resource for our current agents and newsletter subscribers. One of the largest church insurers in the world, Zurich, has prepared a series of brochures entitled "Church Safety Solutions". The topics reviewed are practical, informative and timely.

Periodically over the next several months, we will highlight specific brochures that will be of special interest to your church clients. Topics such as: "Controlling Holiday Losses", "Providing for a Safe Camping Experience" and "Peeling the Layers Off Roof Damage". To review what's available in our online resource library, click the following link:
