One of the first questions we get asked is what markets we use to provide our agents with church or synagogue insurance proposals. The markets we use are:

- Argonaut Great Central
- Continental Western Group
- Safeco
- Zurich Small Business
- Zurich Middle Markets

The market we use to provide you with a proposal depends on the location of the risk and the coverage requested. In general, we are open to quote in all continental states except DC, Florida and Massachusetts. Needless to say there are also coastal restrictions and certain other state specific restrictions. To check out your state, click the state eligibility link above or email us via the contact link.
